AIRPORT DELIVERY/PICKUP FEE- Item 350

A \$25.00 per shipments fee will be added to all shipments either picked up or delivered from an airport or airport cargo facility.

BILL OF LADING GENERAL- Item 360

This Rules Tariff is an integral part of the Bill of Lading Contract and of all contractual relationships of the carrier. This Rules Tariff contains the Terms and Conditions specifically governing the Bill of Lading, Loss and Damage Claims, Overcharges, Undercharges, and related matters. Refer exclusively to this Rules Tariff to determine the process and time limitations in effect. If there is a conflict between the carrier's Tariffs and Contracts and any governing publication, or any bill of lading or other shipping document prepared in connection with a shipment, the carriers Tariffs and Contracts will control and govern the movement of goods. Unless otherwise agreed to in writing, Contract Terms and Conditions shall be those as indicated in the carrier's bill of lading as governed by the carrier's Rules Tariff and Contracts in effect on the date the shipment was tendered to the carrier. ONLY carrier personnel with titles of CEO, President or Vice President are authorized to agree to alternate contract terms and conditions and the use of an alternate bill of lading referencing such terms and conditions. NO other person(s) are authorized. Where a bill of lading other than the carrier's bill of lading, issued by the shipper, is signed for by the carrier's driver or other person(s) that signature ONLY acknowledges receipt of the freight and identifies entity to deliver. It is Not a contract for the cartage of freight. Continued use of an unauthorized bill of lading by the shipper will NOT constitute an implied acceptance by the carrier. When a corrected bill of lading or letter of authority to amend any aspect of a bill of lading is received from the responsible party, either consignor, consignee, or third-party, the following charges and provisions will apply:

- (1) \$15.00 per each corrected bill of lading or letter of authority.
- (2) Corrected bills of lading or letters of authority to change the payment status from collect to prepaid or prepaid to collect will be subject to the acceptance of the carrier.
- (3) Corrected bills of lading or letters of authority to change the freight charge collection status from prepaid to collect will not be accepted if Section 7 of the corrected bill of lading has been signed by the consignor or once the shipment has been delivered, or if the shipment has been lost or damaged.
- (4) Corrected bills of lading or letters of authority to change the actual or released value of a commodity will not be accepted after the shipment has been picked up.
- (5) Corrected bills of lading or letters of authority to change the freight class must be accompanied by the proper NMFC item number.
- (6) Changes in commodity description, weight, or pieces shall be accompanied by written documentation, such as original invoice or descriptive advertising copy.

All references made to Rates or "Rates on File" mean rates contained in the carrier's files. Such rates shall be available to shippers on request to the extent that they apply to the shipper. Any alteration, addition or erasure in the carrier's bill of lading which is made without the special notation thereon of the agent of the carrier issuing this bill of lading, shall be without effect, and the bill of lading shall be enforceable according to original tenor. Please also see Section 2 of this Rules Tariff, "Bill of Lading Contract Terms and Conditions".

BLIND SHIPMENT- Item 365

Blind shipments will be assessed an additional charge of \$24.50.

CLAIMS and OVERCHARGES- Item 407

As a condition precedent to recovery, claims and suits must be accompanied by the original paid bill for transportation, (or a copy of same notarized as identical) and must be filed in writing with the carrier as follows:

- (1) Such claims must be filed within nine months after the delivery of the property (or, in the case of export traffic, within nine months after delivery at the port or export), except that claims for failure to make delivery must be filed within nine months after a reasonable time for delivery has elapsed. Claims for damaged goods or hidden damage require that all damaged goods and packing materials be kept in received condition for inspection by the carrier. Packaging which is insufficient to protect goods from the normal rigors of transportation will invalidate damage claims.
- (2) Maximum carrier liability is limited as provided in "Limitation of Liability" and in the Bill of Lading Terms and Conditions Appendix of this Rules Tariff.
- (3) Shipments governed by this publication are to be transported with normal and reasonable dispatch in time for no particular market.
- (4) Suits for overcharges shall be instituted against any carrier no later than 6 months from the date when written notice is sent by the carrier to the claimant that the carrier has disallowed the claim or any part or parts of the claim specified in the notice. Where claims are not filed or suits are not instituted thereon in accordance with the foregoing provisions, the carrier shall NOT be liable, and such claims will NOT be paid.
- (5) 6 months from the post mark date when written notice is sent to the carrier by the party responsible for freight charges that such party has disallowed the claim or any part or parts of the claim specified in the notice. Where claims are not filed or suits are not instituted thereon in accordance with the foregoing provisions, the party responsible for freight for freight charges shall NOT be liable, and such claims need NOT be paid.
- (6) Suits for loss, damage, injury or delay shall be instituted against any carrier no later than two years and one day from the post mark date when written notice is sent by the carrier to the claimant that the carrier has disallowed the claim, or any part or parts of the claim specified in the notice. Where claims are not filed or suits are not instituted thereon in accordance with the foregoing provisions, the carrier shall NOT be liable, and such claims will NOT be paid.
- (7) Duplicate billing issues shall be resolved in accordance with State Laws in effect in the state containing the carrier's principal place of business.
- (8) All disputes shall be initiated and settled with respect to venue within the County containing the carrier's principal place of business.
- (9) This Tariff is an integral part of the Bill of Lading Contract and of all contractual relationships of the carrier. Also Refer top section 2 of this Tariff for additional Terms and Conditions specifically governing the Bill of Lading.

C.O.D SHIPMENTS- Item 430

- (1) Collect on Delivery "COD" shipments will be accepted subject to a charge of 3% **of the COD amount collected, subject** to a minimum charge of \$25.00 per freight bill. Charges for collecting and remitting COD amounts will be assessed to the party paying the freight charges.
- (2) The letters "C.O.D." must be stamped, typed or written immediately before the name of the consignee and in block letters across the face of the bill of lading. Carrier shall NOT be required to collect C.O.D. charges should such markings be markings be omitted. Omission of markings prescribed herein or in the above paragraph release the carrier from any and all obligations regarding C.O.D. collection.
- (3) Unless the phrase "CASH ONLY" appears in RED letters at least 1 inch in height and ¼ inch thickness of stroke on all bills of lading and shipping orders, the carrier will accept checks or drafts from the consignee to the order of the shipper in payment of C.O.D.'s. Carrier will accept NO responsibility for the validity of such checks or drafts and they shall be accepted at the risk of the shipper. Such checks and drafts will be transmitted to the shipper together with the carrier's own check for amounts collected in cash.

COLLECTION & PAYMENT of CHARGES- Item 435-

- (1) Except as otherwise provided, the carrier requires payment for all rates and charges to be received by the carrier within 15 days from the date on the carrier's invoice. An account will be considered delinquent if payment has not been received within 30 days from the date on the carrier's invoice. Such invoices will be subject to a 1.5% finance charge with a \$5.00 minimum charge per month.
- (2) All checks written to the carrier that are not honored by the carrier's bank will be subject to an additional charge of \$20.00 per check so rejected.
- (3) The carrier will invoice the shipper's broker, bank or other agent for freight charges. However, the carrier reserves the right to bill and collect freight charges from the shipper on prepaid shipments or the consignee on collect shipments in the event full payment of freight charges is not received pursuant to third party billing.
- (4) If no payment or disputed payment is made short of the billed amount and the carrier is required to incur costs to collect past due charges, the carrier shall be entitled to recover its collection costs, including its attorney fees and administrative costs, in addition to the charges owing and regardless of whether legal proceedings are instituted. If legal proceedings are instituted to collect past due charges, the carrier shall be entitled to recover, in addition to the past due charges, its collection costs, including but not limited to, its attorney fees, court costs and administrative fees.
- (5) This shall be applied ONLY to the non-payment of original, separate, or independent freight bills and shall NOT apply to aggregate "Balance-Due" claims sought for collection on past shipments by a Bankruptcy Trustee, or any other person or agent.

COLON, EXPLANATION and USE of- Item 450

Throughout the carrier's Tariffs, a COLON (:) is used in place of the terms "Viz." and "Namely". The Colon has the same effect as if such phrases were used.

CONVENTION/EXHIBITION CENTERS- Item 455

Shipments to Conventions, Tradeshows, Exhibition Centers, Stadiums, Arenas, or places not normally open to the public. Will be assessed additional charges of \$4.00 cwt \$35.00 minimum charge \$350.00 maximum charge. Detention time may also apply'

LAS VEGAS CONVENTION/EXHIBITION CENTERS- Item 456

Shipments to Conventions, Tradeshows, Exhibition Centers, Stadiums, Arenas, or places not normally open to the public. In Las Vegas NV will be assessed a charge of \$5.00 per cwt \$200.00 minimum no maximum. Detention charges may also apply'

DELIVERY at DESTINATION WITHOUT RECEIPT- Item 485

When the bill of lading provides for delivery at field locations, the bill of lading shall be so endorsed. If no one is present to sign delivery receipt, the carrier shall complete delivery at designated location and carrier's responsibility ceases upon delivery being made

DETENTION, DEMURRAGE, DELAYS, UNPAVED ROADS- Item 500

(1) LOADING and UNLOADING

Except as otherwise provided, rates referencing this Rules Tariff include 30 minutes for loading or waiting to load and 30 minutes for unloading or waiting to unload, except that stops in transit to partially load or unload will be accorded only 30 minutes free time. Delays in loading or unloading, applicable to each operation separately, beyond the allowable time, when caused by no disability, fault or negligence on the part of the carrier, will be charged at the rate of \$30.00 per one-quarter (¼) hour or fraction thereof.

(2) FERRY and GENERAL DELAY in TRANSIT

Transit on ferries and demurrage/delay caused by necessity through no fault of the carrier will be charged for at this same rate for all time in excess of 30 minutes free time per incident or ferry. Time will begin upon arrival at the Ferry Terminal and will continue until departure from the Ferry. Also see Item 300.

(3) UNPAVED ROADS

This same charge will apply on all time in which the carrier's equipment must travel over unpaved roads.

(4) CUSTOMS DELAYS

This same charge will apply on all delays in excess of 45 minutes when crossing international borders resulting from waiting in line, clearing customs or working with brokers for customs clearance.

DETENTION WITHOUT POWER UNITS- Item 510

- (1) All charges incurred due to the detention of chassis containers will be billed against the shipment. Placement of the trailer at the shipper's or consignee's facilities will be at no charge. Time beyond the initial day allowed
- (2) When trailers are dropped or spotted for the convenience of the shipper or consignee, the first 24 hours following the placement of the trailer at the shipper's or consignee's facilities will be at no charge. Time beyond the initial day allowed

DIVERSION / RECONSIGNMENT- Item 512

Diversion or Reconsignment is defined as a change in address of the consignee or a change in the shipment destination. Requests for reconsignment must be made and confirmed in writing. Carrier must be satisfied that the person making the request has the authority to do so. Conditional requests will not be accepted. Transportation charges shall be computed from original origin to final destination, when the diversion is made through the normal route movement. Requests for diversion must be made prior to attempted delivery. Transportation charges for reconsignment shall consist of original charges and charges from the point of diversion to the final destination. An additional charge of \$30.00 shall be assessed per diversion/reconsignment. Only entire shipments not portions may be reconsigned or diverted.

EMERGENCY TRIP- Item 515

When the carrier is called upon to make an emergency trip necessitating the hauling of large or small articles at unusual hours, or for the sole convenience of the shipper, or when road or other conditions make such hauling hazardous, the carrier shall compute charges on the following basis, if such computation creates a greater charge than that otherwise provided, subject to notes 1 and 2.

****CHARGE PER ONE WAY MILE \$5.00**

****HOURLY CHARGE FOR OTHER SERVICES \$225.00**

NOTE 1: The basis of charges provided in this Item shall apply ONLY when this service is requested by the shipper or consignee in writing. The bill of lading and freight bill must be marked or stamped and signed by the shipper.

"EMERGENCY TRIP AGREED TO BY: _____ SHIPPER"

NOTE 2: Rates in this Item are subject to a minimum charge of \$275.00.

- a. Charge is for line haul ONLY, including driver, and does NOT include other services
- b. The charges for loading, unloading, delays, dismantling, and other accessorial services shall be the "per hour" charges named labor is used for loading and against the consignee if the extra labor is used for unloading. Extra labor will NOT be furnished unless requested by consignor or consignee. The provisions of this Item do NOT obligate the carrier to furnish extra labor if such labor is not available at the point of loading or unloading. Above. Extra labor shall be charged for as provided in Item 561. Time shall be recorded to the nearest unit 6 minutes (1/10 hour)

EQUIPMENT - USE of MECHANICAL OR SPECIAL EQUIPMENT- Item 520

Rates referencing this Tariff do not include the cost of furnishing mechanical or special equipment for loading at shipper's place of business. The charges for loading, unloading, delays, dismantling, and other accessorial services shall be the "per hour" charges named labor is used for loading and against the consignee if the extra labor is used for unloading. Extra labor will NOT be furnished unless requested by consignor or consignee. The provisions of this Item do NOT obligate the carrier to furnish extra labor if such labor is not available at the point of loading or unloading. Extra labor shall be charged for as provided in Item 561. Time shall be recorded to the nearest unit 6 minutes (1/10 hour) business or unloading at consignee's place of business. When the use of mechanical or special equipment is required in the loading or unloading of heavy or bulky articles, the consignor or the consignee, as the case may be, shall furnish same and the necessary men to operate such mechanical or special equipment at his own expense, and also assumes the responsibility for safe loading and unloading.

EXCLUSIVE USE of VEHICLE- Item 550

When shipper requests the "Exclusive Use of a Vehicle", and when the bill of lading and freight bill are so marked and signed as exhibited below, carrier shall award the shipper exclusive use of the vehicle for the transportation named by the bill of lading so marked. Shipments moving under the provisions of this Item are subject to the applicable maximum legal carrying capacity of the vehicle for which the request is made, or which is required to transport the shipment. Exclusive use of driver and equipment will be charged at \$ 200.00 per hour or fraction thereof with a one hour minimum

"EXCLUSIVE USE OF VEHICLE REQUESTED BY _____ SHIPPER"

EXTRA LABOR- Item 561

Rates referencing this Tariff are based on Truck and Driver ONLY. Whenever additional help is required to load, unload, guard, or protect shipments, or flag traffic because of the size, shape, weight, or location of shipments, such help, when requested by the shipper or consignee, will be provided at the rates in this Item. At each location where extra labor is used, the charge therefor will be as follows:

EXTRA LABOR	PER HOUR	MINIMUM CHARGE
DAY – HOURS	OR FRACTION THEROF	PER MAN
Monday – Friday, 8 AM to 5 PM	\$75.00	1 Hour
Monday – FRIDAY, 5 PM to 8AM	\$112.50	1 Hour
Saturday or Sunday	\$150.00	2 Hours
Legal Holidays, (See Item 110)	\$200.00	2 Hours

The provisions of this Item do NOT obligate the carrier to furnish extra labor if such labor is not available at the point of loading or unloading.

Time shall be computed from the time the extra labor arrives at the place of pickup or delivery and shall continue until loading or unloading is completed. This charge will be in addition to all other charges and will be assessed against the consignor if the extra labor is used for loading and against the consignee if the extra labor is used for unloading. Extra labor will NOT be furnished unless requested by consignor or consignee.

FRACTIONS, DISPOSITION OF- Item 565

- (1) When calculating mileages used to determine rates, a fraction of a mile will be increased to the next whole mile.
- (2) When calculating weights, used to determine rates, a fraction of a pound will be increased to the next whole pound
- (3) When calculating time, used to determine rates, a fraction of a 15-minute period will be increased to the next whole 15-minute period.
- (4) When the charges yield a fraction or portion of a cent, the disposition of the fraction of a cent will be as follows:
 - a. Fractions of less than one-half ($\frac{1}{2}$) cent will be dropped.
 - b. Fractions of one-half ($\frac{1}{2}$) cent or greater will be increased to the next whole cent.

GROCERY WAREHOUSE FEE- ITEM 566

All shipments destined to, or originating from, a Grocery Warehouse will have a fee added to the net freight charges of \$50.00. This includes food/grocery distribution centers and food service warehouses. Each shipment will be allocated 30 free minutes. After 30 minutes, detention will begin to accrue. See Item 500. If multiple shipments are delivering to, or picking up at the same time, the fee will be allocated across each shipment by percentage of weight for the entire stop. See exceptions below.

Shipments destined to, or originating from, any UNFI (United Natural Foods Inc.) Distribution Center, will have a \$400 fee added to each shipment. This is in addition to the net linehaul charges applicable.

HAZARDOUS MATERIALS- Item 567

Refer to 49 CFR for provisions governing the movement of Hazardous Materials. A shipment of Hazardous Materials accepted for transportation will be rated at the rates and charges otherwise applicable to shipment, subject to an additional Hazardous Materials charge of \$15.00 per shipment.

IMPRACTICABLE OPERATIONS- Item 570

Nothing in this Tariff shall be construed as making it binding on a carrier to pick up and/or deliver freight at locations from and/or to which it is impracticable to operate equipment on account of the condition of highways, roads, streets, or alleys or because of riots. In no case shall it be obligatory for a carrier to make deliveries to points over roads which are unsafe or impassable. In such cases, at the consignee's request, delivery to the nearest point which can be safely reached will constitute proper execution of the contract Carrier is NOT bound to transport property by any particular schedule or in time for any particular market or otherwise than reasonable dispatch.

LICENSES, TEMPORARY HIGHWAY- Item 575

When carrier is required to obtain a license for movement of an unlicensed chassis over highways, a charge of \$25.00 for license obtained will apply, in addition to the cost of the license and all other applicable charges.

LIMITATION of CARRIER LIABILITY- Item 600

Unless subject to lower levels of liability, the maximum value per pound will be arrived at by determining the actual Class or the FAK class exception of the articles shipped.

Rated Class	50	55	60	65	70	Maximum Liability per occurrence
Liability Limit per Pound	\$1.10	\$2.00	\$2.35	\$3.95	\$5.00	100,000.00
Rated Class	77.5	85	92.5	100	110	Maximum Liability per occurrence
Liability Limit per Pound	\$5.00	\$5.00	\$5.00	\$5.00	\$5.00	100,000.00
Rated Class	125	150	175	200	250-500	Maximum Liability per occurrence
Liability Limit per Pound	\$5.00	\$5.00	\$5.00	\$5.00	\$5.00	100,000.00

Exception rating, pallet rates, special commodity rate, and/or truckload rates shall have a maximum liability of \$1.00 per pound. Personal Effects and/or Household Goods will be valued at \$0.10 per pound. Spot Quote rated shipments shall have a maximum liability of \$1.00 per pound. Items of extraordinary value inadvertently accepted for shipment shall have a maximum liability of \$1.00 per pound. Carriers maximum liability per occurrence shall not exceed \$100,000.00.

Liability for loss, damage or destruction to any shipment or part thereof which is considered "used", "reconditioned" or refurbished shall move at a released value not to exceed \$0.10 per pound. Failure of the shipper to provide an accurate commodity of "other than new" shall not alter the application of this item. Carrier will provide or furnish excess declared value insurance or excess liability coverage under the terms of item 601 in this tariff however writing "Declared value" on the bill of lading is not a substitute for "Full Value Coverage". Corrected bills of lading or letters of authority to change or add valuation after delivery of the shipment shall not be accepted by the carrier. Labor rate for damaged articles limited to \$50.00 per hour. Carrier will not be liable for any type of consequential, special indirect or exemplary damages including but not limited to loss of income or profits regardless whether or not the carrier knew or should have known such damages might be incurred. Maximum liability for incandescent, fluorescent or other types of lighting bulbs or tubes shall be limited to \$0.50 per pound per package. If the shipper does not properly describe the freight on the Bill of Lading or uses a description of "FAK" or "Freight All Kinds" or other language that does not properly identify the commodities shipped, subsequent claims for loss or damage will be based on the lowest value of any commodity contained in the shipment.

FULL VALUE COVERAGE- Item 601

The debtor of the shipment may request "Full Value Coverage" only as set forth in this section. Shipments not requesting "Full Value Coverage" shall be governed by any and all limitations set forth in Item 600 herein, or other tariffs, contracts or in the NMFC.

Only shipments rated using the current DLDS500 tariff at actual class with no discount applied will be eligible for "Full Value Coverage".

The charge for "Full Value Coverage" will be \$0.65 per \$100.00 of Full Value Coverage requested, subject to a maximum of \$50,000.00

Full Value Coverage per shipment and subject to a \$55.00 minimum.

This charge is in addition to any applicable freight charges and is not subject to any discount. The charge will be payable by the party responsible for payment of the freight charges.

Note 1: Commodities tendered for shipment with an invoice value exceeding the maximum liability stated in Item 600 will be considered to be "Full Value" shipments".

Note 2: To request "Full Value Coverage" by stating on the Bill of Lading "Full Value Coverage" requested in the amount of \$\$. \$\$

Note 3: "Full Value Coverage" includes the amount of the invoice supplied by the Consignor or Consignee, plus the pre-paid or collect freight charges not included in the invoice plus 10% calculated as follows.

1. Invoice amount, \$30,000.00 plus freight charges of \$300.00= \$30,300.00.
2. Amount of coverage \$30,300.00 multiplied by 110% = \$33,330.00
3. Charge at \$0.65 per \$100.00 = \$33,330.00/100 multiplied by \$0.65 = \$216.65

Note 4: Maximum liability for "Full Value Coverage" shall be \$50,000.00 per shipment.

Note 5: In no event shall the "Full Value Coverage" exceed the actual invoice value of the commodity shipped including the "Full Value Coverage".

Note 6: For coverage to be valid, commodity must be NEW and properly packaged per NMFC guidelines. Fully refurbished items that are sold as "new" with a warranty will be considered new.

Note 7: The following articles are not eligible for coverage.

- 1: Articles listed in Item 780
- 2: Musical instruments including Pianos
- 3: Household goods, Antiques, Artwork including paintings, drawings, statues, rare books, and other works of art.
- 6: Contraband, property or goods in the course of illegal transportation or trade.
- 7: Live animals

Note 8: The provisions of this shall also not apply in the case of loss or damage or any expense attributable to, caused by, or Resulting from.

- 1: Delay, loss of market, loss of use, interruption of business, or any consequential loss.
- 2: Ordinary loss of weight or volume, ordinary leakage, rust, oxidation, or discoloration.

Note 9: Concealed damage must be reported within two (2) business days of delivery, and coverage will be at a maximum of 1/3 of the stated release value. Resultant claims will be on a case by case basis.

Note 10: Marking a Bill of Lading "Full Value Coverage" does not constitute an agreement of coverage. The Bill of Lading must be clearly state "Full Value Coverage" with a corresponding Quote Number.

Note 11: Carriers acceptance of "Full Value Coverage" liability is not and shall not be construed as insurance of any kind. Carrier's liability on "Full value coverage" is governed by the same standards of liability set forth in Item 600 of this tariff. If the shipper wishes to have insurance on the goods being transported it must be acquired through a third party.

LIMITED & DIFFICULT ACCESS PICKUP OR DELIVERY- Item 606

SUMMARY INVOICES – Item 910

At the carrier's discretion, rates and charges incurred by any one shipper or consignee for a period of not more than one week may be billed on one summary invoice. Summary invoices will be accompanied by copies of all supporting bills of lading with each bill of lading marked to indicate charges incurred.

VEHICLES FURNISHED, BUT NOT USED – Item 985

When shipper or beneficial owner requests equipment but does not utilize said equipment within 24 hours of arrival, carrier shall assess the applicable line-haul charge from point of equipment origin to requested pickup point and from requested pickup point to equipment's next pickup point or hometown terminal, whichever is nearer, at a rate of \$1.50 per mile, subject to a Minimum Charge of \$75.00.

CAPACITY AND DENSITY CALCULATIONS – Item 986

Shipments that occupy 750 cubic feet or more and have a density of 4 (four) pounds per cubic foot or less shall be rated at class 200 less any applicable discount. Provisions of this item will apply in lieu of any negotiated FAK's unless FAK is higher than class 200. This item will not apply when the actual class is above class 200. Multiple shipments from the same shipper on the same day going to the same consignee shall be consolidated and rated as a single shipment if the capacity and density rule applies.

OCCUPIED SPACE – Item 990

To determine compensatory rates for space utilized on carrier's equipment, freight that cannot be stacked on or that is too heavy to stack on other freight, or is configured such that it cannot be stacked on or stacked on top of other freight. Will be measured from the base of the freight to the ceiling of the trailer. This measurement will be used to the density of the freight. For classification by NMFC density classification rules. Will not apply when racking or decking is used. Applies regardless of agreed FAK's. Agreed discounts will apply.

WEIGHTS, MINIMUM LINEAL FOOT REQUIREMENTS – Item 991

In the absence of a stated maximum weight per pallet in individual contracts or agreements, the maximum weight shall be two thousand (2,000) pounds per pallet. Pallets exceeding the agreed weight or two thousand (2,000) pounds will be rated at class with applicable discount. A pallet is defined as not exceeding 48"x48"x52".

WEIGHT in the CALCULATION of PALLET RATES – Item 992

In the absence of a stated maximum weight per pallet in individual contracts or agreements, the maximum weight shall be two thousand (2,000) pounds per pallet. Pallets exceeding the agreed weight or two thousand (2,000) pounds will be rated at class with applicable discount. A pallet is defined as not exceeding 48"x48"x52".

WEIGHTS, GROSS WEIGHTS USED – Item 993

Unless otherwise provided, rates and charges shall be computed on the gross weight of the shipment, including all packing and packaging materials, at point of origin. When the carrier is asked to secure a certified public scale weight for any shipment or vehicle(s), the carrier will bill for this service at cost (if any) plus \$25.00.

BILL of LADING CONTRACT TERMS and CONDITIONS- Item 2100

Section 1

(a) The carrier or the party in possession of any of the property described in the carrier's bill of lading shall be liable as at common law for any loss or damage thereto, except as hereinafter provided.

(b) No carrier shall be liable for any loss of or damage to a shipment or for any delay caused by an Act of God, the public enemy, the authority of law or the act or default of the shipper. Except in the case of negligence of the carrier or party in possession, the carrier or the party in possession shall not be liable for loss, damage or delay which results: when the property is stopped and held in transit upon request of the shipper, owner or party entitled to make such request; or from faulty or impassable highway, or by lack of capacity of any highway, bridge or ferry, or from a defect or vice in the property, or from riots or strikes. The burden to prove freedom from negligence is on the carrier or the party in possession.

Section 2

Unless arranged or agreed upon in writing, prior to shipment, the carrier is not bound to transport a shipment by a particular or in time for any particular market but is responsible to transport with reasonable dispatch. In the case of physical necessity, the carrier may forward a shipment via another carrier.

Section 3

(a) As a condition precedent to recovery, claims must be filed in writing within writing with any participating carrier having sufficient information to identify the shipment.

(b) Claims for loss or damage must be filed within nine months after the delivery of the property (or, in the case of export traffic, within nine months

(c) Suits for loss, damage, injury or delay shall be instituted against any carrier no later than two years and one day from the day when written notice is given by the carrier to the claimant that the carrier has disallowed the claim or any part or parts of the claim specified in the notice. Where claims are not filed or suits are not instituted thereon in accordance with the foregoing provisions, no carrier shall be liable, and such claims will not be paid.

(d) Any carrier or party liable for loss or damage to any of said or on account of said property, so far as this shall not void the policies or contracts of insurance, PROVIDED, that the carrier receiving the benefit of property shall have the full benefit of any insurance that may have been affected, upon such insurance will reimburse the claimant for the premium paid on the insurance policy or contract.

Section 4

(a) If the consignee refuses the shipment tendered for delivery by the carrier or if the carrier is unable to deliver the shipment because of fault or mistake of the shipper or consignee, the carrier's liability shall then become that of a warehouseman. The carrier shall promptly attempt to provide notice, by telephonic or electronic communication as provided on the face of the bill of lading, if so indicated, to the shipper or the party, if any, designated to receive notice on this bill of lading. Storage charges, based on the carrier's provisions in effect, shall start no sooner than the next business day following the attempted notification. Storage may be, at the carrier's option, in any location that provides reasonable protection against loss or damage. The carrier may place the shipment in public storage at the owner's expense and without liability to the carrier.

(b) If the carrier does not receive disposition instructions within 48 hours of the time of the carrier's attempted first notification, the carrier will attempt to issue a second and final confirmed notification. Such note shall advise that if the carrier does not receive disposition instructions within 10 days of that notification, the carrier may offer the shipment for sale at a public auction and the carrier has the right to offer the shipment for sale. The amount of sale will be applied to the carrier's invoice for transportation and other lawful charges. The owner will be responsible for the balance of charges not covered by the sale of goods. If there is a balance remaining after all charges and expenses are paid, such balance will be paid to the owner of the property sold hereunder, upon claim and proof of ownership.

(c) Where the carrier has attempted to follow the procedures set forth in subsections 4(a) and (b) above and the procedure provided in this section is not possible, nothing in this section shall be construed to abridge the right of the

carrier at its option to sell the property under such circumstances and in such manner as may be authorized by law. When perishable goods cannot be delivered and disposition is not given within a reasonable time, the carrier may dispose of property to the best advantage.

(d) Where the carrier is directed by the consignee or shipper to unload or delivery property at a particular location where the shipper, consignee, or the agent of either, is not regularly located, the risk after unloading or delivery shall not be that of the carrier.

Section 5

(a) In all cases not prohibited by law, where a lower value than the actual value of the said property has been stated in writing by the shipper or has been agreed upon in writing as the released value of the property on which the rate is based, such lower value plus freight charges if paid shall be the maximum recoverable amount for loss or damage, whether or not such loss or damage occurs from negligence.

(b) No carrier hereunder will carry or be liable in any way for any documents, coin, money, or for any articles of extraordinary value not specifically rated unless a special agreement to do so and a stipulated value of the articles are endorsed on the bill of lading.

Section 6

Every party, whether principal or agent, who ships explosives or dangerous goods, without previous full written disclosure to the carrier of their nature, shall be liable for and indemnify the carrier against all loss or damage caused by such goods. Such goods may be warehoused at the owner's risk and expense or destroyed without compensation.

Section 7

(a) The shipper or the consignee shall be liable for the freight and other lawful charges accruing on the shipment, as billed or corrected, except that collect shipments may move without recourse to the shipper when the shipper so stipulates by signature or endorsement in the space provided on the face of the bill of lading. Nevertheless, the shipper shall remain liable for transportation charges where there has been an erroneous determination of the freight charges assessed, based upon incomplete or incorrect information provided by the shipper.

(b) Notwithstanding the provisions of subsection (a) above, the consignee's liability for payment of additional charges that may be found to be due upon delivery shall be specified by 49 U.S.C. §13706, except that the consignee need not provide the specified written notice to the delivering carrier if the consignee is a for-hire carrier.

(c) Nothing in this bill of lading shall limit the right of the carrier to require the payment or guarantee of the charges at the time of shipment prior to delivery. If the description of articles or other information on the carrier's bill of lading is found to be incorrect or incomplete, the freight charges must be paid on the articles actually shipped.

Section 8

If the carrier's bill of lading is issued on the order of the shipper or his agent, in exchange or in substitution for another bill of lading, the shipper's signature on the prior bill of lading or in connection with the prior bill of lading as to the statement of value or otherwise, or as the election of common law or bill of lading liability shall be considered a part of the carrier's bill of lading as fully as if the same were written on or made in connection with the carrier's bill of lading.

Section 9

If all or any part of said property is carried by water over any part of said route, such water carrier shall be performed subject to the terms and provisions and limitations of liability specified by the "Carriage of Goods by Sea Act" and any other pertinent laws applicable to water carriers.
