Diamond Line

PARTNER CARRIER NETWORK

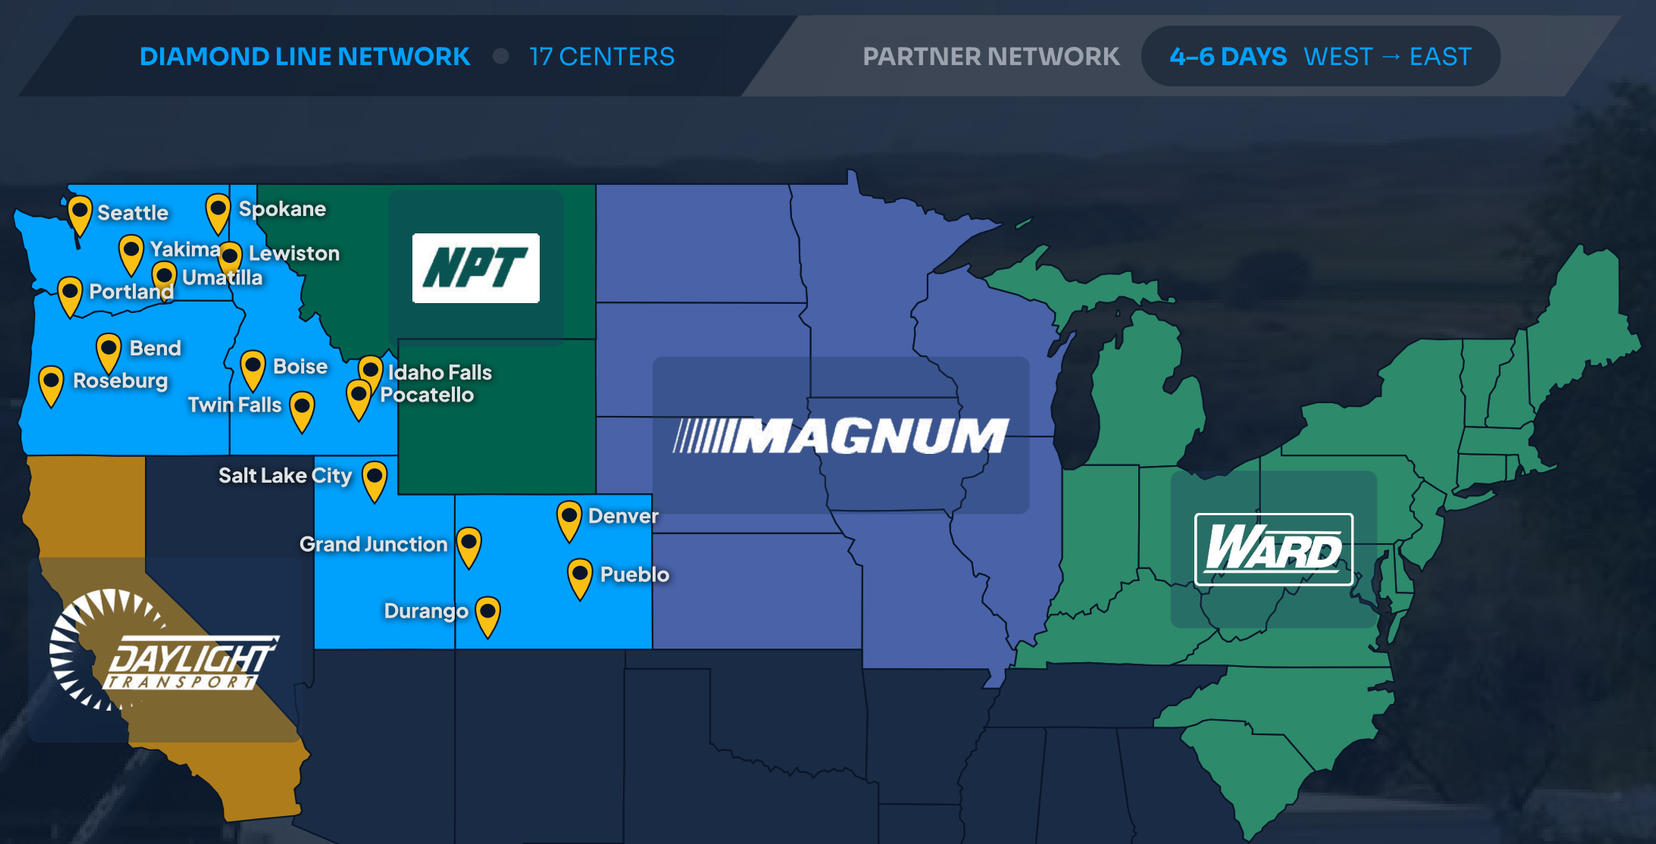
Employee-owned regional LTL

One carrier to call. Thirty-five states.

5	17+
STATES DIRECT	TERMINALS
4+	**1**
PARTNER CARRIERS	BILL END TO END

One pickup. One point of contact. One invoice.

Diamond Line runs the Western network. Our trusted partner carriers take your freight the rest of the way — you keep the same service team the whole trip.



Coverage Beyond Our Own Five States

Reliable transit
Published transit times you can quote to your customer.

Single point of contact
One call, one bill, all the way through.

Real-time visibility
Track, quote, and pull documents online.

Employee owned
Our people act like owners because they are.

WHERE OUR PARTNERS TAKE IT

Daylight Transport
All of California, ~2 days from the NW.

Magnum LTL
Dakotas, MN, IA, WI, NE, KS, MO, IL.

North Park Transportation
Montana, Wyoming & the Jackson Hole market.

Ward Transport & Logistics
Northeast, Mid-Atlantic, eastern Midwest & Carolinas.

Regional strength. Expanded reach.

Every partner on this map was chosen the same way we run our own terminals — people who answer the phone and take ownership of your freight. Ask your rep for transit times to any point on the map.

Ask us to quote your lane.
